SCHEDULE OF FEES

HOW MUCH DOES AN IMMIGRATION ATTORNEY COST?

Immigration attorney cost should never be a mystery—yet most law firms still hide their pricing from the public. We don't. In fact, we are proud to be the first nationwide immigration law firm to publicly publish our legal fees, setting a new standard for transparency in immigration law.

Our clients deserve to know exactly what they are paying for before they ever walk through our doors.

OUR SERVICES

Family-Based Immigration

Litigation

IMPORTANT NOTE

Government filing fees charged by USCIS, DOS, EOIR, or federal courts are separate from attorney fees and are set by the government. These are paid directly to the appropriate agency and may change without notice.

Asylum

\$7,000

\$3,500 down, 7 monthly payments of \$500

What's Included:

- Attorney eligibility and country-condition strategy review
- Preparation and filing of Form I-589 and supporting documentation
